PROFILE MANAGER

RECORD HD VIDEO

This feature gives you the opportunity to capture your experiences in 1080p full HD and 120 fps. Using an SD card allows you to record your adventures without any additional USB cables. Never missing a chance to catch your moment on video.

BALLISTIC CALCULATOR

With the ATN Ballistic Calculator, you can forget about charts and complex reticles. Just enter the environmental data and all the calculations will automatically be performed. This provides you with the opportunity to hit your target, even on your first attempt.

DUAL STREAM VIDEO

By incorporating a Dual Core Processor, we are now able to provide a much more enhanced experience. Now, you can Live Stream via WiFi to a mobile device, and record in your scope at the same time. Without lag or loss of performance.
